## **PREAMBLE**

This Memorandum of Understanding ("MOU") is entered into by the State of Maryland ("Employer") and the State Law Enforcement Officers Labor Alliance ("Union"), and has as its purpose the promotion of harmonious relations between the Employer and the Union; the establishment of an equitable and peaceful procedure for the resolution of differences without disruption in the workplace; and includes the agreement of the parties on the standards of wages, hours and other terms and conditions of employment for the Bargaining Unit employees covered hereunder. The Employer recognizes the commitment of the Union and employees to organizational efficiency and high quality services and will actively encourage the sharing of concerns regarding management practices, policies and procedures. This MOU, including any appendices hereto, applies to all departments / agencies of the State whose employees are in the Bargaining Unit covered by this MOU, except as to those provisions of this MOU that are expressly limited to a particular department / agency.

It is understood that agreements on issues requiring approval by the General Assembly of Maryland are tentative pending approval of the General Assembly of Maryland. The provisions of this MOU shall in no way diminish or infringe any rights, responsibilities, power or duties conferred by the Constitution of the State of Maryland and the Annotated Code of Maryland, including Title 3, State Personnel and Pension Article (the State Employee Collective Bargaining Law), as amended, and all laws are hereby incorporated in this MOU as if fully set forth herein and, except as provided in Article III, in the event of a conflict between this MOU and the law, the law shall prevail.

## **ARTICLE I – RECOGNITION**

### **Section 1. Exclusive Representation**

Pursuant to the Collective Bargaining Law (Title 3, State Personnel and Pensions Article), the Employer recognizes the Union as the sole and exclusive representative in all matters establishing and pertaining to wages, hours and other terms and conditions of employment for all employees in Bargaining Unit I. The Employer will not negotiate with any other union or employee organization on matters pertaining to wages, hours and other terms and conditions of employment for all employees in the Bargaining Unit. The employer will not allow non-exclusive representatives or other employee organizations to address new employees at orientation meetings.

### **Section 2. Integrity of the Bargaining Unit**

In the event the Employer proposes to use non-bargaining unit individuals to displace continuing bargaining unit positions, it will provide the Union with notice at the earliest opportunity, but normally at least 75 days in advance. Commanders will not be assigned bargaining unit work for the purpose of limiting overtime opportunities for bargaining unit employees except when fiscal or operational exigencies necessitate.

### **Section 3. Inclusion / Exclusion of Existing and New Classifications**

If it is believed that the bargaining unit status of a classification has changed, the Employer or the Union, whichever is proposing the change, shall notify the other. Following such notice, the parties shall meet and attempt to resolve any disagreements about the issue. The Employer will promptly notify the Union of all decisions to establish new classifications. If a new classification is a successor title to a classification covered by this MOU with no substantial change in duties, it shall become part of this bargaining unit. Where the Union believes a new classification contains a significant part of the work done by any classification in this bargaining unit or shares a community of interest with classifications in this bargaining unit, the Union may notify the Employer, within 30 days of receiving notice of the new classification, that it believes the classification should be in this bargaining unit. The parties will then meet to review the classification specifications and attempt to resolve the issue.

## **ARTICLE II – NON-DISCRIMINATION**

### **Section 1. Prohibition Against Discrimination**

It is the policy of the State to prohibit discrimination in employment against any employee or applicant for employment because of race, age, color, religion, creed, sex, sexual orientation, political affiliation, country of national origin, ancestry, genetic information, gender identity or expression, mental or physical disability, marital status, or labor organization affiliations, and to promote and implement a positive and continuing program of equal employment opportunity.

It is the policy of the Union that it shall not discriminate against any employee or cause or attempt to cause the State to discriminate against any employee because of race, age, color, religion, creed, sex, sexual orientation, political affiliation, country of national origin, ancestry, genetic information, gender identity or expression, mental or physical disability, marital status or labor organization affiliation.

### **Section 2. Union Activity**

Each employee shall have the right to join and while off work or on official release time, assist the Union freely, without fear of penalty or reprisal, and the Employer shall assure that each employee shall be protected in the exercise of such right.

### **Section 3. Equal Employment / Affirmative Action / Americans with Disabilities Act**

The parties agree to comply with applicable Federal and Maryland Equal Employment laws, Affirmative Action laws and the Americans with Disabilities Act.

### **Section 4. Representation**

The Union recognizes its responsibility as the exclusive bargaining representative for this unit and agrees to fairly represent all employees in the bargaining unit.

## **ARTICLE III – MANAGEMENT RIGHTS**

Except as provided above, it is agreed by the parties that any section of this MOU that conflicts with current law, in particular Title 3, State Personnel and Pensions Article and Title 2, Public Safety as it applies to the Maryland State Police, can be changed by management after negotiations with the Union to the extent required by Article XVII (Mid-Contract Negotiations).

It is understood and agreed by the parties that the Employer possesses all other power, duty and right to operate and manage its departments, agencies and programs and carry out constitutional, statutory and administrative policy mandates and goals.

In the event the LMC is unable to agree, the issue will be submitted to the State's Chief Negotiator and the President of the Union for final action.

The Union will notify the Employer in writing of the names of the designated stewards prior to them assuming any duties. Designated stewards shall be allowed a reasonable amount of duty time without charge to pay or leave to handle grievances. **Section 18. Student Loan Repayment Plan (Closed Program – No New Enrollees Permitted)**

The parties have agreed to the following broad framework for a Student Loan Repayment Plan, recognizing that the State will need to make changes to these provisions as it begins to implement and administer the Plan. Specific eligibility criteria will be agreed to by the parties and included in the service commitment and loan repayment agreement.

Student loan debt of the employee or the employee's child under the age of twenty five (25) may be repaid, subject to the terms and conditions of a service commitment and loan repayment agreement, in an amount not to exceed \$20,000 for a 10 year service commitment to the State by the employee. If two eligible employees are the parents of a child under the age of twenty five (25), each employee may apply SLRP repayments towards the child's student loan debt in an amount not to exceed \$20,000 per employee. An employee's spouse or non-child dependent(s) are not eligible to participate in the SLRP. Employees in the "DROP" are eligible to participate in the SLRP to the extent permitted by the length of service restrictions of the DROP program. All classifications of employees in Bargaining Unit I are eligible to enroll in the repayment plan for the period of July 1, 2019 – June 30, 2020.

After signing the 10 year service commitment and loan repayment agreement, employees are eligible for a maximum of \$20,000 in loan repayments at the intervals specified below, up to a maximum of \$20,000.

SLRP Repayment Schedule

After year one: up to \$2,000

After year three: up to \$2,000

After year five: up to \$4,000

After year seven: up to \$6,000

After year ten: up to \$6,000

Upon the completion of each repayment interval noted above and before any repayment is made, participating employees must: 1) present evidence of loan payments made within the repayment interval; and 2) provide a notarized certification attesting that the loan payments were the student loan debt of the employee or the employee's child.

In the event that an employee leaves State service or becomes ineligible to continue participation in the SLRP, the State will not recapture prior SLRP payments made to the employee. The State will make SLRP payments

only upon full completion of a repayment interval, there will be no prorated payments for partial completion of a repayment interval.

State loan repayments shall not exceed a participating employee's loan payments made during the repayment interval. Only State service occurring on or after January 1, 2019 is eligible to count towards the years of service requirement under this loan repayment program.

For employees transferring to another State agency, it is the responsibility of the employee to consult with the new agency to determine whether the new agency will agree to continue the loan repayment plan. However, employees who transfer or otherwise move to a new position within Bargaining Unit I remain eligible for the SLRP.

To the extent possible, the State shall ensure that the reimbursement for the loan is made in a form that is not subject to taxes.

### **Section 1.**

Subject to any limitations of existing law, a complaint is defined as a dispute concerning the application or interpretation of the terms of this MOU. The provisions of this procedure shall be the only procedure for complaints concerning interpretation or application of the MOU. Disciplinary appeals or grievances otherwise appealable through procedures established by law or regulation are not subject to this procedure.

## **Section 2. Procedure**

Complaints regarding the MOU shall be presented and adjusted in the following manner:

### **Step One**

Within 15 days after the event giving rise to the complaint or within 15 days following the time when the employee should reasonably have known of its occurrence, the employee aggrieved and/or the Union representative shall discuss the dispute with the employee's immediate supervisor. The Supervisor shall attempt to adjust the matter and respond orally to the employee and/or the Union representative within three days.

### **Step Two**

If the dispute has not been settled at step one, a written complaint may be filed and presented to the employee's appointing authority and/or designee within seven days after receiving the step one response. A Union representative must sign the complaint. The appointing authority or designee shall meet with the employee and the employee's Union representative and render a decision in writing no later than 20 days after receiving the complaint.

### **Step Three**

If the complaint has not been settled at step two, a written complaint may be filed with the Head of the Principal Unit within seven days after receipt of the answer at step two. The Head of the Principal Unit or designated representative shall meet with the employee and the Union representative and render a written decision within 20 days after receiving the written appeal. When the appointing authority is also the Head of the Principal unit, this step shall be skipped and the step two decision shall be appealed directly to step four.

### **Step Four**

If the dispute has not been settled at Step Three, SLEOLA's President, or designee, may file a written complaint with the Secretary of the Department of Budget and Management, or designee, within thirty (30) days of the Step Three response. The Union can appeal to fact-finding the decision of the Secretary, or designee, within 30 days of the Secretary's, or designee's, decision.

When fact-finding is invoked, the Union and the Employer shall jointly request a list of seven neutral fact finders from the Federal Mediation and Conciliation Service (FMCS). The parties will meet within 15 days of receipt of the FMCS list to seek agreement on one of the listed fact-finders. This meeting may take place on the telephone. If the parties cannot agree on a fact-finder, the Employer and the Union will alternately strike one name from the list until a single name remains. A flip of the coin shall determine who shall strike the first name.

The fact-finder shall resolve all questions related to the procedure. Upon mutual agreement of the parties, threshold issues may be resolved prior to the parties proceeding with the substantive issues involved in the case. The cost of the fact-finder shall be shared equally by the parties.

### **Appeal of Fact-finder's Decision**

The Employer shall ensure that its supervisors and representatives do not repeatedly fail to respond to complaints in a timely manner and shall also ensure that its designees are authorized to settle matters subject to the complaint.

### SLEOLA Interest Arbitration

Subject to any limitations of existing law, the parties agree to the following procedure for the resolution of an impasse during the negotiation of a Memorandum of Understanding.

- 1) This section only applies to the negotiation of a new memorandum of understanding or a successor to an existing memorandum of understanding (interest arbitration), not a dispute over a provision in an existing memorandum of understanding (grievance arbitration).
- 2) The parties shall begin negotiations by September 1. Within two weeks after negotiations have begun, the parties shall request a list of ten labor arbitrators from the American Arbitration Association.
- 3) If, by October 15, the parties have not reached agreement:
  - a. Either party may request arbitration by a Board of Arbitration.
  - b. The Board of Arbitration shall be composed of three members, one appointed by the Governor and one appointed by the exclusive bargaining representative. These members shall be selected within four days of the request for arbitration. The third member, the Neutral Member, shall have experience with interest arbitration and shall be selected within four additional days by the two arbitrators previously chosen. The Neutral Member shall be selected in accordance with the procedures of, and from the list furnished by, the American Arbitration Association (AAA) as described above. If, and only if, the parties mutually agree to consider a Neutral Member from outside the AAA list, they may select a Neutral Member whose name is not on the AAA list. All members of the Board shall be selected no later than November 1.
  - c. Contemporaneous with the selection of the Neutral Member, the Board of Arbitration shall schedule tentative dates for the arbitration consistent with the time frames of this section.
- 4) If, by October 31, the parties have reached an agreement:
  - a. a Memorandum of Understanding shall be executed as described in paragraph 18;
  - b. The Board shall be notified that arbitration will not be needed; and
  - c. Any cancellation fees will be paid to the Neutral Member as described in paragraph 16(b).
- 5) If, by October 25, the parties have not reached agreement either party may declare that an impasse has been reached by providing written notice that arbitration proceedings will commence as scheduled:
  - a. to the other party that an impasse has been reached; and
  - b. to the Board which was selected in paragraph 3(b) .
- 6) By November 3, each party shall provide to each member of the Board and to the other party a detailed itemization of the final proposal made by the respective party prior to the declaration of impasse.
- 7) The Board shall:
  - a. commence the arbitration proceedings within fourteen days of the notice provided in paragraph 5(b); and
  - b. issue a decision before November 30.
- 8) The parties, by mutual agreement, may extend the time requirements set forth herein to the extent permitted by law.

  - l. such other factors, not confined to the foregoing, which are normally or traditionally taken into consideration in the determination of wages, hours, and working conditions, and any other terms or conditions of employment through voluntary collective bargaining, mediation, arbitration, or otherwise between the parties, in the public service or in private employment; and
  - m. stipulations of the parties regarding any of the items in this section.
- 11) The Board shall, by written decision, recommend the implementation, in its entirety, of the last best offer previously submitted by one of the parties. The written decision of the Board shall be delivered to the Governor, the exclusive representative, the President of the Senate, and the Speaker of the House of Delegates by the Board on or before November 30.
- 12) The parties shall have 14 days after issuance of the decision of the Board to consider the recommendations and to further negotiate the disputed issues. Within this 14-day period, each party shall notify the other party whether it accepts or rejects the recommendation of the Board. A copy of the notice shall be promptly provided to the Governor, the President of the Senate, and the Speaker of the House of Delegates.
- 13) Any time frame provided herein may be modified by mutual agreement of the parties to the extent permitted by law.

  - b. In the absence of such an order by the Board, the process shall commence or continue as though all parties were participating.

- 14) Nothing in this section shall be construed to prohibit the parties from reaching a voluntary settlement on the unresolved issues at any time prior to or after the issuance of the Board's decision.
