On Sunday, October 29, Bohemia River State Park is honored to welcome veterans and active duty military for a free event in appreciation of their service.

The event will include a guided hike, yard game stations, and the opportunity to paddle on the Great Bohemia Creek. The park's boats will be ready and waiting for you to begin your self-guided paddle, so all you have to do is get in and go.

We hope you'll bring a picnic and spend a few hours with us!
