JOB PERFORMANCE REPORT

State: Maryland

Project Title: Federal Aid Coordination

Job No.: 103

Job Title: Federal Aid Coordination

Principal Investigator: Bittner

Job Objective:

Provide administration coordination for Maryland's participation in the Federal Aid in Wildlife Restoration Program.

Activities/Findings:

Major accomplishments related to the Federal Aid Coordination grant during FY 08 were as follows:

- Accomplishment reports and billings for Segment 18 grants were completed and submitted to the USFWS for approval.
- The annual license certification was coordinated and submitted to the USFWS.
- Worked with federal aid staff regarding policy issues related to federal aid.
- Attended the Federal Aid Coordinators meeting in Maine.
- Sponsored a Project Leaders Workshop in Maryland for local and neighboring state's staff.

Reasons for deviations (if any):

None.

Recommendations for the continuance of job:

Continue job.
